

DAAS Administrative Letter No. 05-12

To: Area Agency on Aging Directors
 LRO Executive Directors
 LRO Finance Officers

Subject: Additional Federal and Matching State Funding for Planning and Administration; Family Caregiver Support Program; and Home and Community Care Block Grant; AAA Funding for Federal Planning Grant

Date: November 8, 2005

The Division has received additional funding from the Administration on Aging for expenditure during SFY 05-06. Including funding for state matching requirements, additional funding is as follows:

P&A	\$31,924
FCSP	\$23,405
HCCBG	\$246,510 (The Division is not making distinction between Parts B and C in the allocation of this funding.)

Counties that are not receiving an increase through this additional allocation are currently receiving no less than 95% of total HCCBG funding awarded for SFY 04-05. Allocation work sheets are attached. Funding for these programs will be updated on your upcoming revised NGA.

The revised NGA will also provide travel funding to each AAA associated with the AoA Planning Grant that was awarded to the DAAS in August. Area Agencies will receive an agreement for this funding under a separate cover.

Area agencies will notify counties of HCCBG funding increases for SFY 05-06. Contract segments can be revised on ARMS starting on November 16.

Please contact Gary Cyrus if the Division can be of further assistance in this matter.

Sincerely,

Karen E. Gottovi
